# MIND

## *Southeast Kansas Mental Health Center*

Southeast Kansas Mental Health Center provides comprehensive services to support the mental and emotional well-being of individuals of all ages. Our offerings encompass outpatient therapy, school-based therapy, and group counseling. We also provide medication management, Medication-Assisted Treatment (MAT), 24/7 crisis intervention, case management, substance use and addictions treatment, supported employment, and many other services.

# BODY

## *Ashley Clinic*

Ashley Clinic delivers a wide array of medical services designed to meet the diverse healthcare needs of the community. Our offerings include primary care, preventive services, and specialized treatment in areas such as pediatrics, women's health, surgery, and chronic disease management. The clinic prioritizes educating patients and empowering them to take an active role in their health. Ashley Clinic strives to enhance the overall health and well-being of those we serve.

# SMILE

## *Yates Center Dental*

Yates Center Dental offers a full spectrum of dental services tailored to meet the needs of patients of all ages. Our offerings include routine check-ups, cleanings, and preventive care to ensure optimal oral health. The clinic also provides restorative services such as fillings, crowns, and bridges, as well as cosmetic dentistry options like teeth whitening and veneers to enhance smiles.

# We are here for you

whenever you need us.
